## A Trip To Mars.

Oh, by and by we shall hear the cry:  
"This is the way to Mars;  
Come take a trip on the morning ship;  
It sails by the Isle of Stars.  
  
A glorious view of planets new  
We promise by night and day;  
Past dying suns our good ship runs,  
And we pause at the Milky Way."  
  
I am almost sure that we will take that tour  
Together, my dear, my dear;  
Forever have we, by land and sea,  
Gone journeying far and near.  
  
Out over the deeps, up mountain steeps,  
We have traveled mile on mile.  
And to sail away to the Martian Bay—  
Oh, that were a trip worth while!  
  
Our ship will race through seas of space  
Up into the Realms of Light.  
Till the whirling ball of the Earth grows small,  
And is utterly lost to sight.  
  
Thro' the nebulous spawn, where planets are born,  
We will pass with sails well furled,  
And with eager eyes we will scan the skies  
For the sight of a new-made world.  
  
From the derelict barque of a sun gone dark,  
Adrift in our fair ship's path.  
A beacon star shall guide us afar  
And afar from the Comet's wrath.  
  
Oh, many a start of pulse and heart  
We have felt at the sight of land;  
But what would we do if the dream came true  
And we sighted the Martian strand?  
  
So, if some day you come and say,  
"They are sailing to Mars, I hear,"  
I want you to know I am ready to go,  
All ready, my dear, my dear.  
—Ella Wheeler Wilcox.

## A Certain Cure for Croup--Used for Ten Years without a Failure.

Mr. W. C. Bott, a Star City, Ind., hardware merchant, is enthusiastic in his praise of Chamberlain's Cough Remedy. His children have all been subject to croup and he has used this remedy for the past 10 years, and though they much feared the croup, his wife and he always felt safe upon retiring when a bottle of Chamberlain's Cough Remedy was in the house. His oldest child was subject to severe attacks of croup, but this remedy never failed to effect a speedy cure. He has recommended it to friends and neighbors and all who have used it say that it is unequalled for croup and whooping cough. For sale by all druggists.

The following story is sent from Eau Claire, Wis.: On the farm of Silver Johnson, two miles South of the city, while two men were blasting out stumps and had their backs turned a pool dog swallowed two sticks of dynamite. Acting as though he had swallowed a bottle of patent medicine the dog made its way to a gray mule grazing near. He bit the mule on the leg, and the latter responded with a swift kick that landed hard on the dog's stomach. The result of the kick was an explosion that blew the dog to atoms and which threw the mule 50 feet into the air. In his downward flight the mule landed on a straw stack and escaped uninjured. The explosion threw the granary down and broke all the windows in one side of the house.

## Quinsey, Sprains and Swellings Cured.

"In November, 1901, I caught cold and had the quinsy. My throat was swollen so I could hardly breathe. I applied Chamberlain's Pain Balm and it gave me relief in a short time. In two days I was alright," says Mrs. L. Cousins, Otterburn, Mich. Chamberlain's Pain Balm is a liniment and is especially valuable for sprains and swellings. For sale by all druggists.

Acting Secretary of War Oliver has received a telegram from Assistant Secretary Latta, who is with President Roosevelt, directing him to suspend action in the matter of cutting down any historical trees in the botanic grounds to make a site for the Grant statue until President Roosevelt returns to Washington."

No home is so pleasant, regardless of the comforts that money will buy as when the entire family is in perfect health. A bottle of Orino Laxative Fruit Syrup costs 50 cents. It will cure every member of the family of constipation, sick headache or stomach trouble. Penny's Drug Store.

Congressman Owsley Stanley denies that the Democrats have no platform, adding that it stands behind the court house at Georgetown. It is the platform that Caleb Powers will stand on when he gets his just deserts, so long delayed.—Frankfort Journal.

THE beautiful Fall weather continues.

## Senator McCreary's Plea For Democracy.

There is no discount on the Democracy of Senator James B. McCreary. For 30 or 40 years he has never failed to raise his voice and cast his vote for the Democratic nominees and those who fondly hoped that he would now go back on the splendid record of a life time, were mistaken in the man.

He spoke at Winchester Saturday and at Nicholasville Monday and in his incomparable manner told of Republican failure and Democratic successes and urged the retention in power of the party that had done all for the advancement of Kentucky that had ever been done. All the nominees of the campaign, he said, measure up to the Jeffersonian standard, that they are honest and capable and will perform the public duties faithfully. He contrasted present conditions of peace and prosperity with those that existed under Republican rule, when, he said, cannon were planted in the yard of the State house, loaded to shoot down the citizens of the State when the soldiers of the State supplanted the civil authority and martial law was declared.

The Senator took occasion to pay a

beautiful tribute to the Confederate

soldiers, of whose number he is a gallant survivor, and urged them to

vote so that the bugle note would go

forth from Kentucky that all is well

and at the same time show Mr. Wilson

that he mistook the calibre of the men

who fought for the cause they loved

when he says that 80 per cent. of them

will vote for the party of assassination

and mixed schools.

The Senator has lost none of his old

time vigor of speech and his latest

utterances will increase the already

great admiration in which he is held.

They show that he is above petty

pique and a Democrat under all cir-

cumstances whether he is the stand-

bearer or a private in the ranks,

and his speeches will be worth many

votes for the ticket.

For 30 years or more we supported

all the political aspirations of Senator

McCreary and at no time have we ever

felt prouder of him than now. He is

that noblest work of God, an honest

man, a Democrat of purest type and

has done great deal for the State

which is in honoring him honored her-

self.—Frankfort Journal.

## CHURCH MATTERS.

Eld. C. E. Powell will begin a series of meetings at the Christian church at Columbia Nov. 6th.

Phil Morse, a colored boy of Garrettsburg, committed suicide by hanging because he could not "get religion," says the Hopkinsville Kentuckian.

Mrs. L. Horn, of Girard, Ga., has a family bible which is believed to be the oldest in the State. It has been in the possession of her family for 150 years.

There will be a Children's Jubilee meeting at the Methodist church Sunday at 3 P. M. All invited to attend, old and young. All pastors of the town are especially invited to be present. The Pastor.

The subject at the Methodist church Sunday morning will be: "A Remedy for Scarlet Sins."—Isaiah 1:18. "Come and let us reason together," etc. No service at night on account of the protracted meeting at the Baptist church. Children's jubilee at 3 P. M. All the children of the town will be made welcome. The Pastor.

Good crowds are attending the meeting at the Baptist church and Rev. J. A. Taylor, of Shelbyville, Tenn., who is assisting the pastor, Rev. J. Murray Taylor, is preaching some interesting sermons. He is a very earnest speaker and has a splendid understanding of Bible truths. Several have professed religion and a number have asked to be prayed for. The services are held at 10 A. M. and 7 P. M. and you are invited to attend them.

## How to Cure a Cold.

The question of how to cure a cold without unnecessary loss of time is one in which we are all more or less interested, for the quicker a cold is gotten rid of the less the danger of pneumonia and other serious diseases.

Mr. B. W. L. Hall, of Waverly, Va., has used Chamberlain's Cough Remedy for years and says: "I firmly believe Chamberlain's Cough Remedy to be absolutely the best preparation on the market for colds. I have recommended it to my friends and they all agree with me." For sale by all druggists.

There is no truth in the rumor that Mr. Rockefeller is building a yacht to defend the American Cup. Mr. Rockefeller is just now seeking to build enough life preservers for his oil company.—Bryan's Commoner.

A Texas syndicate has purchased 120,000 acres of coal lands in Rowan and Morgan counties for \$600,000.

The Supreme Court of the United States has taken jurisdiction of the meat packers' case wherein the Armour, Swift, Morris and Cudahy packing companies were fined \$15,000 each for accepting a preferential rate from the Chicago, Burlington and Quincy Railroad on shipments of meat for export.

The Fish and Harriman factions have reached an agreement to postpone the Illinois Central meeting to Dec. 18. In the meantime the right to vote the 286,781 shares will be fought out in the courts. Stuyvesant Fish gave out a statement in Chicago in which he claimed to have had a majority of from 30,000 to 50,000 when the count of proxies was abandoned.

The rebuilding of Millersburg Female College now seems assured, more than \$21,000 out of the necessary \$30,000 having been subscribed. The students of the school and of the Millersburg Military Institute have subscribed liberally as individuals, and at the meeting of citizens the cadets pledged an additional \$100 out of their personal allowances. The little town is enthusiastic over the latest turn of affairs. A citizen, after five years' absence in California, returned to the town and subscribed \$1,000.

She fixed her lovely eyes upon him with a meaning gaze. "Yes, I think you have," she said. "What prefix do you wish to substitute?"—Tit-Bits.

Out of Sight.

"Out of sight, out of mind," is an old saying which applies with special force to a sore, burn or wound that's been treated with Bucklen's Arhica Salve. It's out of sight, out of mind and out of existence. Piles too and chilblains disappear under its healing influence. Guaranteed by Penny, the druggist. 50c.

Elder J. T. Williams will fill his appointment at the Methodist church Sunday morning.

The whole community was shocked Saturday morning when the news came that Joseph Rice, of Hedgeville, had been murdered. The killing occurred Friday night about 10 o'clock. The coroner's jury held an inquest over the body and decided that he came to his death at the hands of Frank Chapman, who was arrested and taken to Danville. ### Democratic Ticket.

For U. S. Senator—J. C. W. Beckham.

For Governor—S. W. Hager.

For Attorney General—John K. Hendricks.

For State Superintendent of Schools—M. O. Winfrey.

For Commissioner of Agriculture—J. W. Newman.

For Lieutenant Governor—South Trimble.

For Auditor—H. M. Bosworth.

For Secretary of State—Hubert Vreeland.

For Treasurer—Ruby Laffoon.

For Clerk of Court of Appeals—John B. Chenault.

For Representative of Lincoln county—W. H. Shanks.

WHEN you go to the polls a week from next Tuesday, Nov. 5, and have stamped in the circle under the game little rooster, turn to the sixth and last column of your big ballot and vote "yes" on the court-house proposition. A building to cost only \$35,000 is asked and it can easily be built without an increase of taxation. That a new court-house is needed, no sane man who will take the time to investigate will gainsay. An adequate and secure building is needed and needed badly and why not have it? Valuable records are going to ruin, some \$300 or \$400 are being paid out for office rent yearly and lives are endangered by the old structure. If better reasons than these for a new Court-house are desired we will give them to the public next issue. Vote "yes" on the court-house proposition and have a temple of justice in keeping with the good county in which it is located.

EDITOR W. V. RICHARDSON, of the Advocate, and his friend, Mr. Lowry Marks, also of Danville, put a lot of burglars to fight the other night. They discovered them as they were attempting to enter an adjoining building and sent several bullets in their direction. Blood was found where the scamps were working. We thought our good friend, "Rich," too mild mannered a man to even harm a burglar, but that's where we were mistaken.

SENATOR McCREADEFY defines a democrat as "a man who connects himself with the democratic party, adheres to the principles of that party, obeys its rules and shows his fealty to it by supporting its nominees." Had he taken a column for the definition, he could not have made the meaning clearer.

WITH the election only 10 days off it behooves you and every other democrat to get to work and do something for the splendid ticket that will be found on the ballot under the rooster. Talk and work for democracy during the remaining hours of the campaign.

"As long as the lamp holds out to burn, the vilest sinner may return." Curt Jett, charged with the murder of J. B. Marcus and Thomas Cockrill, and serving a life sentence for killing the former, has joined the church.

GOV. BECKHAM was given an ovation at Perryville Wednesday. Over 1,000 people heard his splendid speech and 100 men on horseback met him two miles out of town and formed an escort for him.

A STENCIL stamp under the rooster and one in the square opposite "yes" in the court-house proposition and you will have done a good day's work Tuesday week.

### POLITICAL.

Judge S. W. Hager in his speech to a large audience at Bardwell pointed out the fact that capital had been induced to invest in Kentucky during the past few years because of the peace and order that have been maintained by the Democratic administration and the confidence that has been felt in the honesty of the State Government.

Ex-Gov. Bradley in a recent speech, in trying to pander to the good graces of the old Confederates, said: "God bless the old Confederate soldier. I always feel like taking off my hat to him." Bradley evidently thought the same way when he voted for the Negro Asbury over Cecil, the son of a martyred Confederate soldier. But that did not cause the leopard to change his spots.—Frankfort Journal.

W. A. Thompson and H. S. Clay were arrested and placed in jail at Paris. The arrests grew out of the suits filed by J. D. McClintock against the republican committeemen who read him out of the party.

J. Morgan Chinn in a speech delivered to a large audience composed mostly of farmers, at Warsaw, said that the records of the court of appeals showed that in the only cases against the tobacco trust that had come to the court of appeals, the trust had been represented by Augustus E. Wilson. One suit involved \$100,000, the trust having sought to evade the payment of that amount in taxes to the city of Louisville.

### BRODHEAD.

Mrs. Eliza Roberts is very low with pneumonia.

Xenophon Emerick sold to Mr. Diligham a pair of two-year-old mules for \$240.

Rev. A. J. Pike went to Louisville Wednesday to visit his daughter, Mrs. Robert Hicks. His son, Charlie, accompanied him. Attorney C. C. Williams, of Mt. Vernon, McKenzie Brown, of Williamsburg, and Wm. Owens, of Spiro, were here Sunday to witness the ball game.

Ned Walker, the phrenologist, has been in our midst for several days and a great many heads were examined and some "found wanting." Mr. Walker seems to be well versed in the science and is a gentleman all around. He is from Galveston, Texas, but graduated in San Francisco. He says as soon as he can find a suitable place he will begin to teach phrenology. He went from here to London.

About 200 people witnessed a very nice ball game here last Sunday between the Gum Sulphur and Brodhead teams. The former team was assisted by the Crab Orchard boys and the latter by Mt. Vernon. The score was 10 to 14 in favor of Brodhead with one inning left unplayed. Several persons from surrounding towns were here. We enjoy a nice game of base ball as much as any one, but we hardly endorse Sunday games. It seems that any other day would do as well.

The remains of Tony Roberts, who was killed while switching in the Danville yards last Monday, were brought to this place Tuesday and after funeral services by Rev. A. J. Pike, were interred in the Christian church yard. Tony was 20 years old and a promising young man, well thought of by all who knew him, but the "braking craze" got hold of him, which like a great many others led to his death. He was a son of Hiram Roberts, was raised here but with his parents moved to Junction City two years ago, where he resided when killed.

Dr. and Mrs. J. F. Watson visited the former's parents in the Glades section Sunday. Edward McAfee and wife, John Mahon and wife, of Lawrenceburg, M. B. Salin and wife, of Mt. Vernon, and Barbee McAfee, of Pine Knot, were guests of Cashier J. W. Hutcheson and wife. Conductor Ed Hunt, of Lebanon Junction, was with his father and brother here. Fred Durham leaves for Pine Knot this week, where he has accepted a position with the Pine Knot Banking Co. W. G. Smith, cashier of the Bank of Friendsville, Cecil McClary, cashier of the Bank of Troy, were with friends and relatives here. Wm. Kruger and Miss Anna Tate, of Mt. Vernon, were here Sunday. Miss Rissie Williams, of Mt. Vernon, was the guest of Mrs. Mary Albright Wednesday. M. Baucum and C. Lyons, of Junction City, and M. Van Arsdale, of Nicholasville, were here looking after their lumber interests.

### MATRIMONIAL.

John Delaney and Miss Mary Stewart, both of Rowland, were married a few days since.

J. M. Deatherage just 21, and Miss Annie Gibson, 19, both of the Kingsville section, were made one Wednesday.

Ernest Prewitt and Miss Lena McClelland, prominent young people of Harrodsburg, eloped to Danville last night and were married.

Miss Helen Terrill and William O. Mays were married at Richmond. The bride is a niece of former Governor David R. Francis, of Missouri, while the groom is a nephew of former Governor William O. Bradley.

PRICE-MCLURE.—Dr. A. S. Price, the popular dentist of this place, and Mrs. Sabra McClure, a handsome widow of Crab Orchard, were married in Cincinnati at noon Wednesday.

They returned to Crab Orchard that night where they were warmly congratulated. The groom is one of Stanford's very best citizens and is liked by all who know him. His bride is well-known here and is greatly admired. She is a most excellent woman and will make a happy and true wife. We join their many friends in extending hearty congratulations and wish them well.

In the circuit court at Harrodsburg judgment for \$10,000 was obtained against John B. Thompson, president of the Old Jordan Distilling Co., in a suit of the Commonwealth for back taxes from 1892 to 1907 inclusive. Mr. Thompson will take an appeal.

Kentucky during the past year has risen from tenth to ninth place among the coal producing States, having turned out 9,653,647 tons of coal valued at \$9,809,938. This is a gain in value of \$1,500,000.

The State Bank and Trust Co., of Carson, Nev., with branches at Goldfield, Tenopah and other cities, has closed its doors. The bank's assets are believed to exceed its liabilities.

Seven workmen were injured, four fatally, in an explosion at one of the blast furnaces of the Clifton Steel Co. at Clifton, Pa.

Mules are selling high in Missouri. The Fulton Telegraph notes the sale of a lot of 22 big mules, wt. 1,350 lbs., at \$242.50.

### THEATRE TALK NO. 5.

THE ENCYCLOPEDIA BRITANNICA has long been recognized as the greatest of reference works, and is without question the greatest book of its kind that has ever been published in the English language. IN ITS PAGES IT GIVES A LIST OF ONE HUNDRED OF THE GREATEST BOOKS THE WORLD HAS EVER PRODUCED. THE LIST IS HEADED BY "THE BIBLE" and well towards the head is the greatest of all romantic novels ever written, ALEXANDER DUMAS' "MONTE CRISTO." IT IS FROM THIS SPLENDIDLY WRITTEN ROMANCE that the stirring romantic melodrama of the same name was dramatized. This famous work appeared in 1844 and may be said to have excited more universal interest than any romance since Robinson Crusoe or Waverly. THE EXTRAORDINARY COLOR, THE NEVER FLAGGING SPIRIT, the endless surprises, and the air of nature which is cast over even the most extravagant situations make this play worthy of the popularity it has enjoyed in almost every country of the world.

IT IS SELDOM, IF EVER, THAT AN ADAPTATION FOR STAGE PRESENTATION EXCEEDS IN POPULARITY AND GENERAL FAVOR THAT OF THE NOVEL ITSELF. However, that is the case with

ONE!

"Monte Cristo" which has had the most solid success of any book play known to theatrical history. THE STORY IS A MOST IMPRESSIVE ONE AND DEALS WITH ALL THE PASSIONS AND EMOTIONS. The play, which is in five acts, is provided with a complete scenic investiture and the costuming is correct and in accordance with the period of the play. The trade mark established by the management is "YOUR MONEY'S WORTH OR YOUR MONEY BACK" so the public takes no chances when this sterling play is presented.

It is not often that a theatrical company visiting this city, will, as an evidence of good faith, give a public guarantee as to the excellence of the attraction, but Fred G. Conrad, the manager of "Monte Cristo" gives the following Guaranteed Pledge:

We hereby authorize the local manager in every town that we play to guarantee it to be first-class in every particular. The word "guarantee" is much overworked; everybody does it's a pity to see it abused; "guarantees" is a good word when it means anything.

We use it because we have made it mean something. Cut this out, take it with you to the theatre, and if after the first act you are dissatisfied with the entertainment given, your money will be refunded. We personally guarantee the excellence of this attraction.

DR. WILLIAM R. EVANS, father of Mr. W. L. Evans, of Hustonville, died at his home in Danville a few days ago. He was 81 years old, a fine practitioner in his day and an excellent old gentleman. We sympathize with our countryman in his great loss. Dr. Evans is survived by his wife and three children.

A LARGE crowd greeted Mr. George B. Saufley, of this place, at Jameson Monday, and Mr. Walter W. Saunders, who was present, says that gentleman made the speech of his life. Mr. Saufley was warmly congratulated on his splendid effort by many of the substantial democrats of Russell county.

FOR SALE.—A new traction engine one separator, self feeder and wind stacker. One saw mill with 300,000 feet of logs to saw at 50c per 100. Hughes, Stanford, Ky.

REMARKABLE.—Miss Jeanie Fariss, the 19-year-old adopted daughter of Mr. and Mrs. L. A. Fariss, who created a wide-spread reputation some years ago by her clever work as a medium, was thought to be hopelessly insane and arrangements were being made to send her to Lakeland Asylum Wednesday, but at the suggestion of Mrs. Fariss, Mrs. Johnson, a medium of Somerset, came up and after a few hours' work with her, her mind became as clear as ever and she now shows no signs of mental derangement. Mr. Fariss and wife are delighted at the change in her condition.

THE real refreshment and recreation of seeing a clean, genial, wholesome play, which is also powerful and thrilling, should make all theater-goers greatly interested in the coming engagement of Fred G. Conrad's company here in "Monte Cristo." Public favor for this superb example of the romantic melodrama is perennial, and it is gratifying because "Monte Cristo" represents all that is worthy in stage entertainment. It appeals in a fascinating manner to the imagination and it feeds the hunger we all have for romance. It is a series of memorable pictures as presented by Fred G. Conrad's company, using the dramatization made by one of the best of Monte Cristo's stars, Eugene Moore. There are five acts in the play as given by Mr. Conrad's company. He brings an unusual quantity of special scenery. See the performance at Walton's Opera House to-night, Friday, Oct. 25.

THERE will be only one ticket for councilmen in the good city of Stanford to be voted for at the election Tuesday week, Nov. 5. Two tickets were made up, one known as the "Old" with the following gentlemen on it: M. D. Elmore, John M. Stone, J. F. Peyton, J. N. Menefee, P. M. McRoberts and E. T. Pence. The other, known as the "New," has these gentlemen on it: W. B. McKinney, J. C. McClary, J. R. Beazley, Mark Hardin, George B. Saufley and Ed Wilkinson. Both were presented by petition to County Clerk Cooper to be placed on the ballots, but when he found that in several instances the same persons had petitioned both tickets, and the law providing that where such is the case the names are stricken from both, and the "Old" board being short of petitioners after the "cleaning," he decided that the "New" should be the one to go on the ballots.

EXCHANGED SHOTS.—On the farm of Mr. Nathan W. Pipes, near Hustonville, that gentleman and a tenant named John Magill exchanged a number of shots Tuesday morning, both using shot guns. The men fell out over a division of the corn crop but we were unable to learn which fired first. Magill was arrested by Deputy Sheriff H. H. Hester and is still in jail, although no warrant has yet been issued for him.

## MIDDLEBURG.

Wild ducks have been quite plentiful  
on the river here for a week or more.  
Hon. D. C. Edwards spoke to a half  
dozen or so republicans and democrats  
here Monday. Mr. W. L. Brown was  
with him.

It might be well for democrats to ob-  
serve that the election will be here in  
the near future and that it behoves us  
to ready for its coming.

The Yosemite base ball team was de-  
feated by the Russell Springs team Sat-  
urday at Liberty by a score of 4 to 1.  
This is understood to be the last game  
of the season.

William Oaks left here some 15 years  
ago and took his chances among stran-  
gers in the North and West. He arrived  
Wednesday and will spend some weeks  
with his mother, Mrs. Wm. Miller. The  
Lord seems to have dealt graciously  
with him. He is looking well and has  
prospered in business. He has with him  
Mrs. Oaks, who is seemingly a most  
estimable woman. Mr. Oaks has seen  
much of the world since he left here,  
but is now permanently located and doing  
a profitable business at Con-  
stantine, Mich. Mrs. Eliza Estes, of  
Somerset, arrived Saturday and will  
spend some time with Mrs. J. A. Estes  
on the Liberty pike. The new Metho-  
dist pastor, Rev. Hunt, arrived Saturday  
and preached Sunday morning and even-  
ing. Rev. W. G. Tilford preached at  
Eubanks Sunday. There seems to  
be special attractions at Yosemite for  
the Mobley cousins of Mt. Salem. They  
make frequent visits to that town. Sam  
Jones will start in a few weeks to New  
Mexico to spend the winter for his  
health. Mesdames Mary Griffith and  
Jane Smith, of Rockport, Ind., are vis-  
iting Mrs. T. H. Moran and other rela-  
tives here.

The American Tobacco Company and  
other purchasers of tobacco have re-  
called their buyers from the Green  
River district and will not send them  
out again until the present agitation  
has quieted down. L. N. Robinson,  
"General" of the "Army of Peaceful  
Invasion," says scores of farmers have  
fallen into line and will pool with the  
American Society of Equity if the buy-  
ers will release them from their con-  
tracts.

**Hard Times In Kansas.**  
The old days of grasshoppers and  
drouth are almost forgotten in the  
prosperous Kansas of to-day; al-  
though a citizen of Codell, Earl Sham-  
burg, has not yet forgotten a hard  
time he encountered. He says: "I  
was worn out and discouraged by  
coughing night and day and could  
find no relief till I tried Dr. King's  
New Discovery. It took less than one  
bottle to completely cure me." The  
safest and most reliable cough and  
cold cure and lung and throat healer  
ever discovered. Guaranteed by Penny  
Drug Store. 50c and \$1. Trial  
bottle free.

The German balloon, the Pommern,  
has been accorded the winning laurels in  
the second international aeronautic  
cup race. The Pommern landed at As-  
bury Park, N. J., after covering a dis-  
tance of 880 miles, and but for the  
proximity of the Atlantic ocean, its  
flight would have been longer. The  
French balloon, l'Isle de France, made  
a record almost as wonderful, landing at  
Hubertsville, N. J., its estimated air  
line flight being 875 miles. The Dus-  
seldorf, third, landed in Delaware, and  
is estimated to have covered 790 miles.

A remarkable increase in the con-  
sumption of cigarettes has taken place  
in Canada during the past 12 months.  
Nearly 332,000,000 cigarettes were en-  
tered for consumption as against 269,-  
000,000 the year previous. The cigar  
trade remained at about the same fig-  
ure, 193,000,000.

**A Criminal Attack**  
on an inoffensive citizen is frequently  
made in that apparently useless lit-  
tuce called the "appendix." It's  
generally the result of protracted con-  
stipation, following liver-torpor. Dr.  
King's New Life Pills regulate the  
liver, prevent appendicitis, and estab-  
lish regular habits of the bowels. 25¢  
at Penny's Drug Store.

**Little Hts**  
**of Children**

Mothers and all others who have chil-  
dren about the house cannot do their  
families a better service than to learn of  
simple and reliable remedies that correct  
children's ailments. Many grown people  
are suffering today for the ignorance or  
negligence of those who had charge of  
their bringing up.

Children are prone to constipation,  
and if it isn't corrected early, the bowels  
get in the habit of not working normally  
and soon chronic constipation results  
that may last off and on all through life. Then children eat almost  
continually and as a consequence indi-  
gestion sets in soon followed by worms,  
or stomach pains, or diarrhea, or any one of a dozen  
other troubles. To say that it will right  
itself is putting altogether too much faith in  
chance. It is tiring with the child's present  
and future health.

A better way is to give the child a dose of  
something intended to cure that very trouble,  
and nothing better for the purpose is known than  
Dr. Caldwell's Syrup Pepsi. It never gripes  
one acts quickly as it has a tonic effect  
and the child will not refuse it. Buy a 30 cent  
or \$1 bottle of your druggist and save the child  
from sickness. You should remember that a  
child whose stomach is in good working order  
will easily catch colds and feverish diseases.

Mr. Terry, of Terrell, Ill., writes that  
he has sold thousands of bottles of Dr.  
Caldwell's Syrup Pepsi, which she regularly in these  
disorders. Mrs. Eversole, of Hiburn, Ill., is  
from time to time the present good condition  
of her five-year-old boy entirely due to the  
wonderful remedy. Try it in your own family and  
see if you cannot share these opinions. Every  
bottle is guaranteed to do exactly as we claim,  
and the purity of ingredients is also vouched for.

**FREE TEST** Those wishing to try Dr. Cald-  
well's Syrup Pepsi, prior to buying, may  
have a free sample bottle sent to their home by  
addressing the company. This offer is to prove that  
the remedy will do as claimed, and is only open to those  
who have never taken it. Send a small  
quantity of starch over to our office and we will  
send you a sample of the syrup.
